

PRIVACY POLICY

DSTNY, UPDATED MAY 2022

1. Introduction

According to the General Data Protection Regulation (EU) 2016/679 (GDPR), a company is the controller of personal data when the company determines the purpose for which and the means by which personal data is processed. It is Destiny Sweden AB's, org.nr 556377-2317 ("**Dstny**") responsibility to ensure that all personal data which is handled in our operations is processed correctly and in accordance with applicable data protection legislation.

This Privacy Policy (hereinafter the "**Privacy Policy**") describes Dstny's processing of your personal data and has the purpose of making you feel safe knowing how Dstny process your personal data.

Personal Data means all types of information which can, directly or indirectly, be attributed to a living natural person. Within Dstny's business activities, Personal Data such as given names and surnames, social security numbers, telephone numbers, address, postal codes, e-mail addresses etc. may be processed. ("**Personal Data**").

If you cannot find answers to your questions, please get in touch with us. You will find information about how to contact us under the heading "Contact Information" at the bottom of this policy.

Dstny's Responsibility as Data Processor

Dstny provides the services to the Customer, where Dstny acts as data processor and the Customer as Data Controller. A Personal Data Processing Agreement is signed between the Customer and Dstny to ensure secure, correct and legal processing of Personal Data in each individual case. The Customer is the controller of Personal Data for the end user that are processed within the service and Dstny only process such data in accordance with instructions from the Customer. Dstny's processing of Personal Data on behalf of the Customer is not subject to this Privacy Policy.

---	-------------------	--	--	---

2.3. Automated decision process

We do not perform any data processing activities that result in automated decision-making.

2.4. How we use Cookies

Dstny is the Data Controller for the processing of your Personal Data collected through cookies when you visit our website (<http://www.dstny.se>). We process the information that is created by the cookies that are set when you visit our website (including your IP address), such as the length of your visit, the number of page views, the choices you make on our website and how you found our website.

Your Personal Data is processed for the purpose of our visitors being able to use the site in our intended way and for statistics. Such Personal Data is processed based on a balance of interests between your and our legitimate interests. Our legitimate interests in processing your Personal Data are to give you a desirable user experience of our website and our commercial interest in obtaining information.

The retention period for such Personal Data will vary depending on which cookie is added to your browser. Permanent cookies remain on your computer until you delete them or expire due and you will return to our website. Session cookies does not have any expiration date and are stored temporarily in your computer while you are on our website. When you close your browser, any session cookies disappear. Third party cookies are cookies coming from a third party and used on our website to, for example, get statistics that can help us simplify and customize our website.

You can choose whether you want to accept or block cookies. Most browsers automatically accept cookies, but you can change browser settings to block cookies. Below you will find examples of how to do for each web browser.

- Google Chrome
- Safari
- Mozilla Firefox
- Internet Explorer

Please note that if you choose to block cookies, this may in some cases impair the functionality and experience of our website/web application.

2.5. Recipients of Personal Data and transfers to third countries outside the EU/EEC

In our capacity as Data Controller, we may assign the processing described above to a partner or supplier. Such processing will not be made for other purposes than as described above. Some partners and suppliers have parts of their businesses in countries outside the EU/EEC (so-called Third Countries). Transfer is only made to such countries that offer an adequate level of data protection according to the EU Commission, or if the supplier has a legally binding and enforceable instrument that guarantees the safety of the Personal Data.

Personal Data will be shared with the following third parties:

Third Party	Purpose	Data that is shared	For more information about third party data processing
Piwik PRO SA	To generate statistics on how our website is used.	IP address. Web-browser type. Third-party cookies.	Piwik Terms of Service Piwik Privacy Policy

2.6. Your rights as Data Subject

You have the right to:

- request information on what type of Personal Data we process and you may request a copy thereof (record extract);
- have incorrect Personal Data rectified and, in certain cases, request to have your Personal Data deleted;
- object against the processing of certain Personal Data and request that the processing of your Personal Data is restricted;
- withdraw your consent to Personal Data processing;
- have the Personal Data you've provided us transferred to another Data Controller (right to data portability)

Please notice that if we restrict the processing of or erase your Personal Data we might not be able to provide the Service to you.

In order to withdraw your consent or exercise any other of your rights as a data subject, you are welcome to contact our Data Protection Officer at dpo@dstny.se

If you are unhappy with how we process your Personal Data, you may also file a complaint with the Swedish Authority for Privacy Protection by [visiting www.imy.se](http://www.imy.se)

2.7. Protection of the Personal Data

Dstny has undertaken appropriate technical and organisational measures in order to protect Personal Data against loss, abuse, unauthorized access, disclosure, alteration and destruction. In order to ensure that the Personal Data is processed in a secure and confidential manner, Dstny uses firewalls and other security measures to protect networks against breach, authentication methods pursuant to industry standards. OWASP 2017 guidelines are followed for http interfaces. In order to secure the integrity of the Personal Data Dstny use encryption techniques when Dstny transfers such Personal Data to Dstny's servers.

Company employees and suppliers are bound by confidentiality agreements and are obligated to follow Dstny's rules for information and IT security and other internal policies that further regulates Personal Data processing.

2.8. Amendments to the Privacy Policy

Dstny reserves the right to amend this Privacy Policy at any time. The date for the latest revision is stated at the end of the Privacy Policy. If Dstny makes any changes to the Privacy Policy Dstny will notify this through our newsletters and notice on this web site. You are therefore recommended to regularly review this Privacy Policy in order to note any changes.

If this Privacy Policy is substantially revised compared to when Dstny obtained your consent, Dstny will notify you regarding these changes and, if necessary, obtain a new consent to Dstny's processing of your Personal Data.

2.9. Contact information

If you have any questions regarding the Privacy Policy or any other question regarding our processing, please feel free to contact us:
